FOREWORD During these times of strife and civil disorder our world, in its chaotic state, has its eyes trained on the youth of all nations. Unfortunately, the most spectacular, least desirable, and least typical aspects of young people and their activities receive the most attention and comment.

At Limestone High School the qualities of youth which are recognized are those which are evidenced in our daily student life—in the classroom, in sports and organizations, in friendships, and in individual and group efforts to be good citizens.

Young people, looking for a place in society and in the community, search out and explore new ideas and new worlds through instruments, class discussions, books, and conversations. Students using high school knowledge are solving academic problems. Tomorrow they will be using their training to solve domestic and world problems.

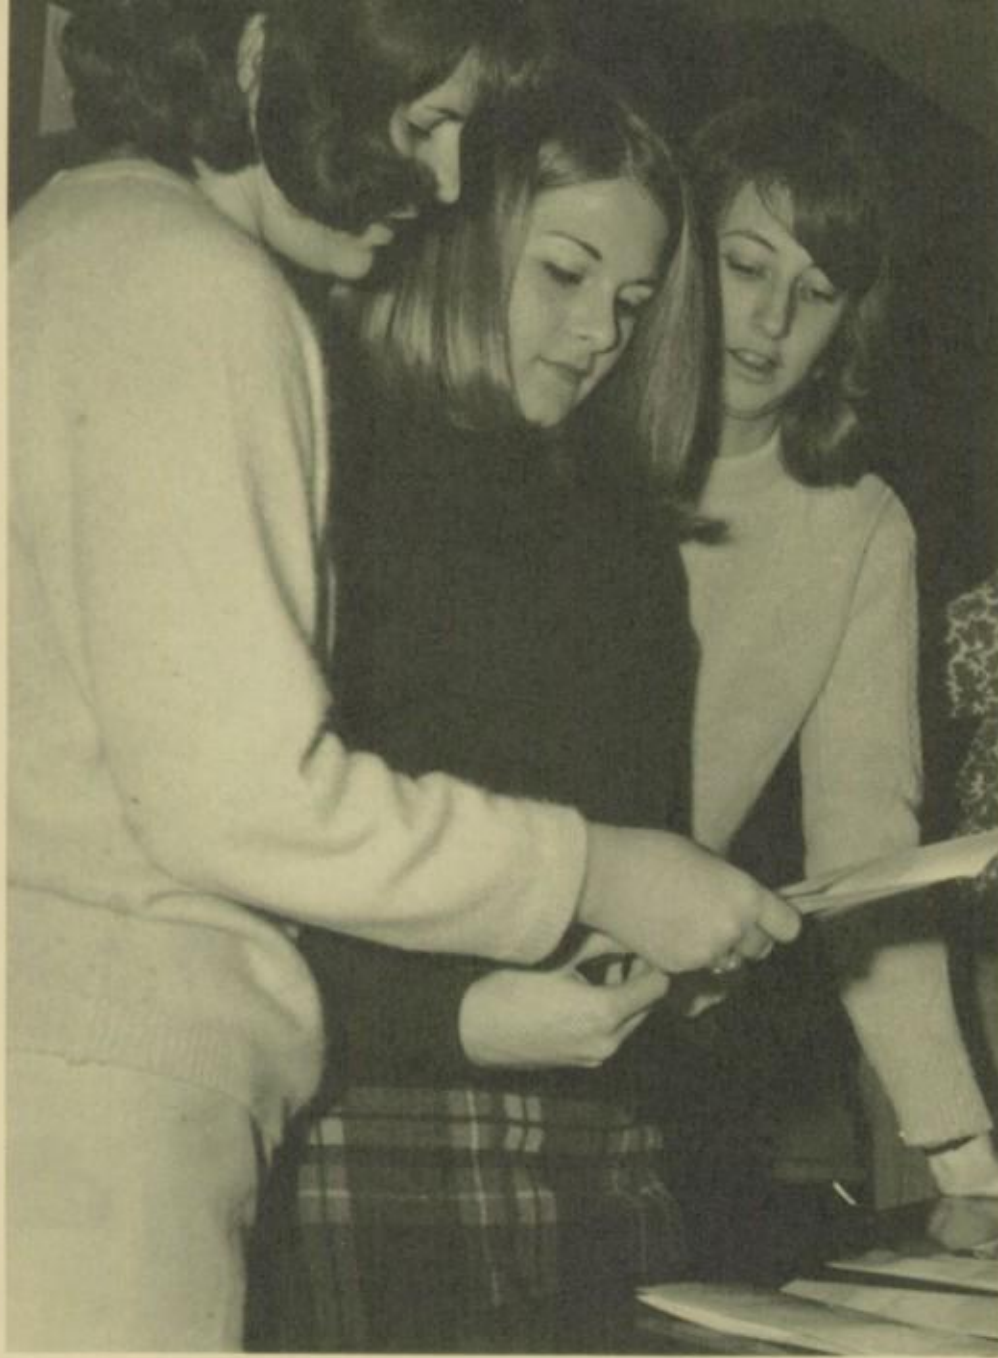

The AMULET staff wishes to focus the emphasis on youth conscientiously intent upon pursuing higher learning, accepting their responsibilities as young adults. Those who face their responsibilities with vigor succeed in making worthwhile contributions to society and to their own communities. Our hope is in you, students of Limestone High School, to bring about a re-evaluation in the attitudes of the general public toward youth so that the focus on youth is a clear and absolutely positive image.

dedication

Whenever there is any activity at Limestone, whether it be a football game, a basketball game, a pep assembly, or a school play, a man's presence and service is required behind the scenes. This same man is present each day in the classroom providing knowledge for the students. He faces all obstacles efficiently whether they be a burnt out lamp, a broken projector, or a difficult math problem. The AMULET staff is proud and happy to dedicate the 1968 AMULET to you: Mr. Donald Bangert.

mr. donald bangert

Mr. Donald Bangert has been a member of the faculty at Limestone High School since 1956. A graduate of Quincy High School, he holds a bachelor's and a master's degree from Western Illinois University. He has since done additional graduate work at Illinois Institute of Technology in Chicago. In the summer of 1966 he participated in a seminar at Knox College for supervisors of student teachers.

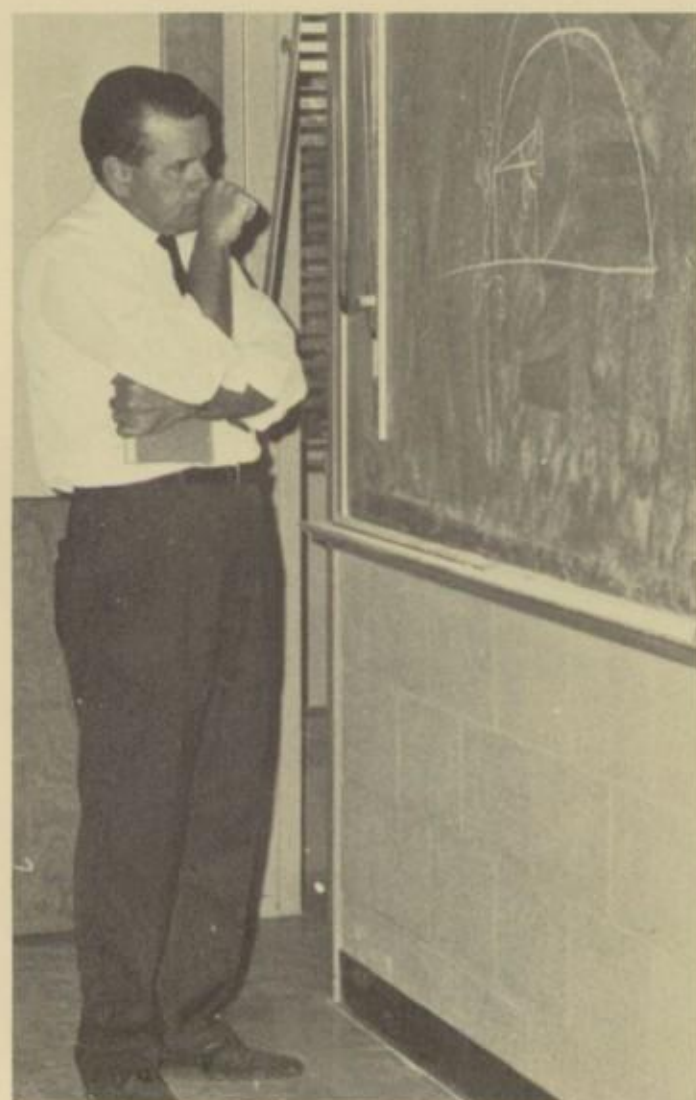

At Limestone he teaches Algebra II, Trigonometry, and Analytic Geometry and is head of the mathematics department. He is in charge of audio-visual equipment and scheduling of films and supervises sound and lighting in the auditorium and gymnasium. He also films football and basketball games for use by the coaches in their practice sessions.

For the last few years Limestone High School has participated in a countywide organization called the Audio-Visual Association of Peoria County. Schools in this area have pooled their resources and have purchased a variety of films which the participating schools may use. Mr. Bangert is chairman of the committee which directs its operation.

Mr. Bangert enthusiastically presents new material to his class.

Amulets for 1967 Distribution Autograph Party

The Rockets' newly enlarged snack bar was the stage for the 1967 AMULET distribution party. Students exchanged autographs and commented on the brightly colored yearbooks. Graduates and underclassmen alike told of the past year's experiences. "The Main Street Aviary" provided the entertainment.

The party was held from 6 to 9 p.m. on August 23. Old friendships were renewed, and the seniors said goodbye to old friends and underclassmen.

Sophomore Attendant—Kathy Short

The 1967 homecoming variety show was presented on October 11 and 12. This year the theme of the homecoming activities was centered around an era of the "Gay 90's." The emcees of the show were the cute Valerie Lauterbach and the dazzling George Ricca. An 1890 bathing beauty, namely Barbara Engelgau, introduced each act with a placard.

As the suspense mounted, the queen and her court were announced by Diana Williams, and the queen was crowned by last year's queen, Linda Bitner. Queen Betty Birchler, escorted by Bill Gibson, was attended by Freshman Tonia Monroe, escorted by Bob Snowden; Sophomore Kathy Short, escorted by Bob Rapp; Junior Dawn Maloney, escorted by Ron Richards; and Senior Marla Keyes, escorted by Bob Koeppel.

The skits were presented in a melodramatic manner. As the piano music echoed through the auditorium, "The Case of the Missing False Teeth," was enacted by the Freshman class. "A Soap Opera" was enacted by the Juniors, and "Victory Pureheart's Plight" was presented by the senior class. The Sophomores presented a skit called "Circus." The class skit winner, the victorious seniors, was announced at the bonfire.

Filler acts added to the evening of excitement. Those performers were Jeannine Cook, modern jazz dancing; Donna Taylor, singing; Judy Wiseman and Vivian Scharlach, singing duo; the Thunderbirds; Ron Sweetin, singing; and the Rockettes and Rocketeers.

George Ricca and Valerie Lauterbach emcee the "Gay 90's Review."

Gay Nineties Era Recreated

Chris Cole, the evil spirit of the East Peoria Red Raiders, captures and ties Kathy Poston to the railroad tracks.

Jeannine Cook does a modern dance routine in an individual number.

Phyllis Spoon rescues Mike Schermer and carries him off as her intended husband.

Doug Houle displays his great co-ordination and his pretty costume in his efforts as a balancing ballet dancer.

Danny Patterson, Bob Lawless, and Jim Dhaese lead the seniors in a vigorously enthusiastic cheer.

The senior class float, Pedal to Victory, was a winner in the float competition.

Homecoming Dance Ends Gay 90's Era

The new Limestone High School Cafetorium became a re-creation of the era of the "Gay 90's," as the week of Homecoming activities were drawn to a close. The auditorium foyer housed replicas of typical shops on an old town street. Lining the hall was a dress shop, a cobbler shop, and a millinery shop. The red and white checkered tablecloths added to the effect of an old-fashioned ice cream shop, and members of the Boosters Club attired in derbies, mustaches, striped vests and long skirts served refreshments. Music was provided by the "Shady Doin's."

Coach Kasap gives a word of encouragement to the spirited crowd.

Following a smashing 'Gay 90's Revue,' the variety show audience was invited to view the fire. Guided by a snake walk of flares, the backers of the Rockets were led by a winding path to the bonfire. The coaches turned the program over to the players who took turns speaking to the crowd. Julie Schindler presented the plaque for class skit competition to the Class of '68. The cheerleaders led the student body, parents, and teachers in cheers until the awaited moment when Ron Richards and Bill Gibson threw the effigy of an East Peoria Red Raider into the raging fire. The band provided a rousing background. The Bonfire was acclaimed a roaring success by all who attended.

On an unlucky Friday the 13th, Limestone hosted the East Peoria Red Raiders. The Rockets narrowly missed their mark and were defeated by a score of 26—24.

The plaque for the winning class skit was accepted by senior class president, Phil Borland.

The Mouse That Roared

On November 8 and 9 the Limestone auditorium was transformed into a tiny sovereign country. The cast presented "The Mouse That Roared."

Wine, the principal support of the Duchy of Grand Fenwick, is suddenly jeopardized by a competitor feigning their brand name. Casting off other poor suggestions, they decided to wage war against the United States. In an unexpected victory over the United States, Tully Bascom returned a hero.

Unusual costumes and moderate settings made the play a "roaring" success.

The Duchess of Grand Fenwick bids Tully farewell before leaving to conquer New York City.

The colorful costuming of the cast contributed to the production of "The Mouse That Roared."

From March 4 to 9 Limestone returned to the days of gangsters and flappers. On Monday, March 4, Twirp Week started with "Student Government Day." Tuesday was "Babe Ruth Day." Baby Ruth candy bars were sent, with messages attached, from girls to boys.

Appropriate casual dress was worn on Wednesday, "Casual Day." On Thursday—"Fabulous Famous People Picker Day"—four boys were nominated from each class to be representative of a well-known person from the "Roaring 20's."

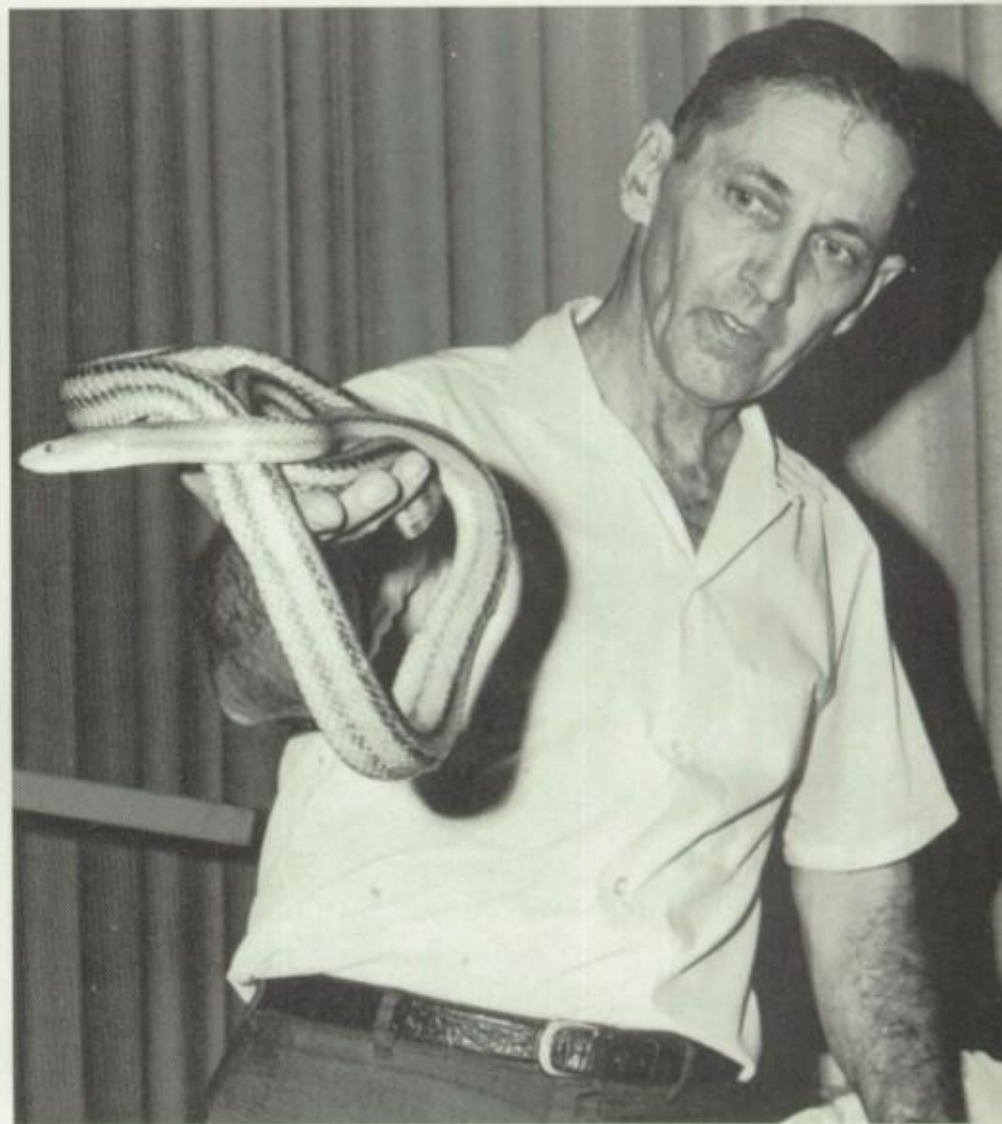

On Friday, which was "Topsy-Turvy Tie and Tenny Day," classes were run backwards and students were to add accessories of ties or bows and tennis shoes.

Twirp Week was brought to a glorious end with the "Roaring 20's Dance." Entertainment was provided by the Shags, with dancing from 8 to 11. Girls wore flapper dresses, fur coats, and plumes, while boys donned white ties, dark shirts, pin-striped suits, and wide-brimmed hats. The "Fabulous Famous People" picked the previous Thursday were announced. They were: Rudolph Valentino, Robbie Young; Douglas Fairbanks, Jr., Joe Graham; W. C. Fields, Gary Burk; and Charlie Chaplain, Richard Boucher.

Pillow Talk

Needing the telephone for her business, Jan Marrow (Marcia Halsted) a young interior decorator is frantic about her inability to use the telephone in her New York apartment. Jan is forced to share a party line with a man named Brad Allen (Tom DeMarini) who continually interferes with her business. Brad is constantly on the telephone talking to his girl friends which makes Jan furious. She complains to the telephone company only to have her complaint backfire since the inspector was a woman (Chris Jakoby) taken in by the charm of Brad Allen.

Through a friend, Jonathan Forbes (Tom Briggs) and Jan's maid (Melody Hendricks), Brad meets Jan by posing as a Texan. Jan is entranced by him and they find they are in love with each other.

The cast included: Mike Schermer, Pierot; Bonnie Schlich, Mrs. Walters; Sandy Kirkwood, Marie; Valerie Goodapple, Eileen; Kathy Stevenson, Yvette; David DeMarini, Tony Walters; Chris Franz, Miss Conrad; Beverly Hammel, the Supervisor; Ron Sweeten, the Policeman; Carol Snowden, Bessie; Veronica Willis, Mrs. Frost; JoAnn Wright, Mrs. Ames; Bob Ball, Graham; Diane Brown, Tilda; Rhonda Johnston, Ann; and Marvin Strickland and Carol Hunter.

Active Clubs for Active Students

Pep Club Among the largest and most active clubs at Limestone is the Pep Club. With membership of approximately two hundred students, the Pep Club is in charge of all Pep assemblies, Meet the Rockets Night, and the Homecoming bonfire. Pep Club strives to keep the school spirit alive and active.

Art Club A newly organized club this year is the Art Club. Because several classes in art have been added to the curriculum, this club was reactivated. During the past year, the Art Club has sponsored an art display, an art contest, and has done an excellent job of decorating the window at Christmastime.

N. H. S. One of the highest honors a student at Limestone can earn is to be elected to National Honor Society. Members are selected by the faculty on the basis of scholarship, leadership, and ability and are members of the junior or senior classes.

Dramatics The art of drama is a high accomplishment. The members of the Dramatics Club work hard to provide a high quality of entertainment for the student body. The Thespians present two plays each year plus a contest play.

Student Council—The main link between students and faculty at L.C.H.S. is the Student Council. Seven Council members are elected from each class. Homecoming, Care Week, Leadership Conference, Twirp Week, and Carnival are only a few among the many activities sponsored by the Student Council. All of the paid assemblies are made possible by their efforts.

House of Representatives—Another link between students and faculty is the House of Representatives. House members are elected by each class with one representative being elected for each homeroom. These representatives keep their homerooms informed on activities such as homecoming, Christmas decorations, and the Carnival. The House also sponsors service projects such as the Vietnam Drive and the Thanksgiving basket project.

SACC—The Student Activities Co-ordinating Committee forms the final link in student government at Limestone. This organization is the link between the Student Council and the activity clubs at each meeting. The members discuss and analyze the effectiveness of student activities. SACC also helped sponsor the drive to pay for the new snack bar furniture which the students have enjoyed so much.

Varsity Choir—One of the most inspiring services of many years was presented by the Varsity Choir of Limestone for the annual Christmas program. This was just an example of the outstanding work done by the Varsity Choir this year. Under the direction of Miss Irma Holub the choir has presented several concerts this year. A new dimension was the merger of the Choir and Varsity Band for several programs. The annual choir picnic rounded out the season for the choir.

Rockettes and Rocketeers—A selected group of highly trained vocalists make up the members of the Rockettes and Rocketeers. This group sings for clubs and organizations throughout the Peoria area. Rockettes and Rocketeers practice during 5B each day. They have entertained at Boosters Club, Homecoming Varsity Show, and numerous other occasions.

"To learn a language while having fun" this is the purpose of both the Spanish and Latin Clubs. All members of both these clubs have studied Latin or Spanish. They hope to improve their knowledge of these languages. The Spanish Club had a very interesting guided tour through Argentina via Mr. Clinton and six students who were fortunate to visit there during the summer. Latin Club no longer has a president or vice president, instead they have a Quaestor Consul, Vice Consul who oversee the affairs of the club.

The addition of two languages to the curriculum has made possible the establishment of two new clubs. The French and German Clubs are slightly handicapped because all of the members are first year students. Nevertheless both of these clubs have been active this year.

Susan Gilmore receives her award for completing four years of Spanish with a straight A average.

Lettermans—"I am an L Club Pledge." Twice a year several boys are seen in the halls wearing signs bearing this slogan. Letterman's club initiation time is here again. All boys who earn a varsity letter are eligible for this club. The boys participate actively in sports events and work to earn equipment for the P.E. department.

Hall Monitors—The friendly greeters of Limestone are the hall monitors. These people are stationed throughout the hall to direct visitors and keep order. Each of these students sacrificed one study hall to perform this important task.

Girls'—Tennis—Badminton—Two teams of girls extra-mural badminton and tennis were organized this year. These teams challenged other schools in competition. Although these teams were not entirely victorious they gained much fun and exercise.

FNA (Future Nurses Association) is a group which was formed to create an interest in the medical profession. This is one of the many active clubs at Limestone. The club sponsored an after-game dance, coat check, and a bake sale. They also took tours to the state hospital and the Cottage Hospital, in Galesburg. With the help of Mrs. Kathryn Barkley, R.N., and club advisor, the club sent packages to the soldiers in Viet Nam during the Christmas season. They have also had a guest speaker from the Red Cross Center and movies on the various medical careers.

FTA Planning for the future is one of the objectives of Limestone's Future Teachers of America Club. All members of this organization are interested in the field of teaching as a career. Their activities included field trips, service to the school and social events. FTA sponsors "teacher appreciation week" each year. The teachers are honored for their valuable service.

GAA To keep healthy and physically fit these are the main objectives of the Girls Athletic Association. Under the direction of Miss Riggins, the girls meet each week to participate in different activities. These activities, which vary from trampoline to baseball, are both for fun and exercise. The most popular activity for winter-time is swimming at the Y.W.C.A. This year the girls had the opportunity to attend the state wide GAA convention at the University of Illinois. Limestone's GAA also hosted a playday for area schools during spring vacation.

Future Homemakers of America the club where the action is! Any girl who has taken a home economics course is eligible to join this club. Future Homemakers strives to create a clear understanding for life while having fun doing it. Members can earn degrees of Junior and Senior State and National Homemaker for their work in home economics.

Limestone Organizations

The chief purpose of the Key Club is to be of service to Limestone Community High School. The Key Club is affiliated with the South Side Kewanis Club of Peoria. In cooperation with this organization Key Club held their annual cheese sale in December. One of the most popular Key Club projects was the soap drive in which classes compete to bring in the most soap. All of the soap is then donated to the Dixon State Home for Retarded Children. The weight of Limestone's soap contribution has always been among the top in the state. Key Club sponsored the Christmas dance "Snow Ball." The event was one of the highlights of the Christmas season. All members of the Key Club are sophomore, junior, and senior boys who are selected by club members with the approval of the administration. All members are above average in scholastic ability and school spirit.

Industrial Arts—The Limestone Industrial Arts Club is open to all boys who are interested in mechanics and industrial work as a career. The members have workshops throughout the year in order to work on projects which they sell. This year the club also participated in an industrial arts display which was held in the new cafetorium.

Informs Students

Who, what, when, where, and why; these are the by-words of a newspaper staff. The Limelight staff strives to bring a complete and accurate account of all activities and news at L.C.H.S. Regular features include the ever popular senior Spotlight, the school opinion column, Comments and Opinions, and an exciting account of all sports action.

This year special features have included accounts of several local combos, Christmas greetings, and Senior Class Will. The Limelight was headed by Kathy Meyer, Editor and Barbara Heller, Associate Editor. Mr. Kenneth Wittaker is the newspaper advisor.

One of the most active clubs for girls at Limestone is Y-Teens. This operates in conjunction with the Peoria YWCA. The girls attend meetings, travel, and work with the members of other clubs from around Peoria. The annual money making project for the Y-Teens is the sale of holly and greens at Christmastime. At club meetings there has been a variety of 'guest speakers. The highlight of the year was a trip to Chicago. The girls shopped in the Chicago loop and were privileged to see the musical "Camelot."

Archery club is one of the new clubs formed this year at Limestone. The members of this club wish to improve their skill with the bow and arrow. They meet frequently for archery shoots, which are held on the athletic field.

Usherettes—The Usherettes might also be called Limestone's public ambassadors. The first person a visitor to an L.C.H.S. production meets is one of our friendly usherettes. The Usherettes are chosen on the basis of willingness to serve the community, availability, and appearance. They serve at all football and basketball games, plays, and other L.C.H.S. productions. As a service to the community they usher for Peoria Players and the Broadway Theater League.

UTOPIA—The United Teens of Peoria in Action or as they are usually referred to UTOPIA is an organization which is sponsored by the Peoria Y.M.C.A. Both boys and girls belong to this group which is primarily a service club. Members take part in youth government activities, service projects, and recreation. During the summer of 1968 five members from Limestone will attend a conference of UTOPIA representatives at Lake Bloomington.

Girl Friday—Girls who are interested in the business world as a career can join the Girl Friday Club. All members must maintain a high average in all of their subjects, but especially in secretarial courses. This club has held several bake sales, taken part in Homecoming, and sponsored the National Secretaries Week.

Future Secretaries of America—All organizations in operation at Limestone are made up of students from Limestone. As with every theory this too has an exception, the Future Secretaries of America are the exception to this rule. This group, which is sponsored by the Marquette National Secretaries Association is made up of girls from several schools. The members meet together once a month at the Pere Marquette Hotel. Several girls from Limestone have held offices and taken an active part in this organization.

Complete Fifteenth Season

Mike Graham breaks away from a would-be Spalding tackler to speed down field for six points.

Two of this year's outstanding players were Rob Young and Dave "Zero" Zachman.

Limestone started off its 1967 varsity football season on a sad note with a loss to the Spalding Irish 12—6. It marked the end of the 15th season of play and the second best season in nine years. More victories are expected for the returning juniors and the sophomore team coming up next year. The Rockets' three victories came during the Manual, Woodruff, and Canton games.

Limestone was plagued by injuries this year. That didn't help the team any. Most of them occurred during the Central game with Larry Paulen, fullback, being hospitalized. Bill Gibson, quarterback, received a rib injury during this game and was replaced by Ken Cruikshank. Mike Graham and Brad Tyler were also injured but returned to finish the game.

Last year's team voted Bill Gibson and Bob Koeppel co-captains. Bob Koeppel could not return to this year's team because of a kidney injury. Mike Graham was voted most valuable player of the 67 season. Brad Tyler and Larry Paulen are to be co-captains of the 68 Rocket Squad.

Subs eagerly wait for a chance to get in the game.

Heads are about to crack as practice scrimmage begins.

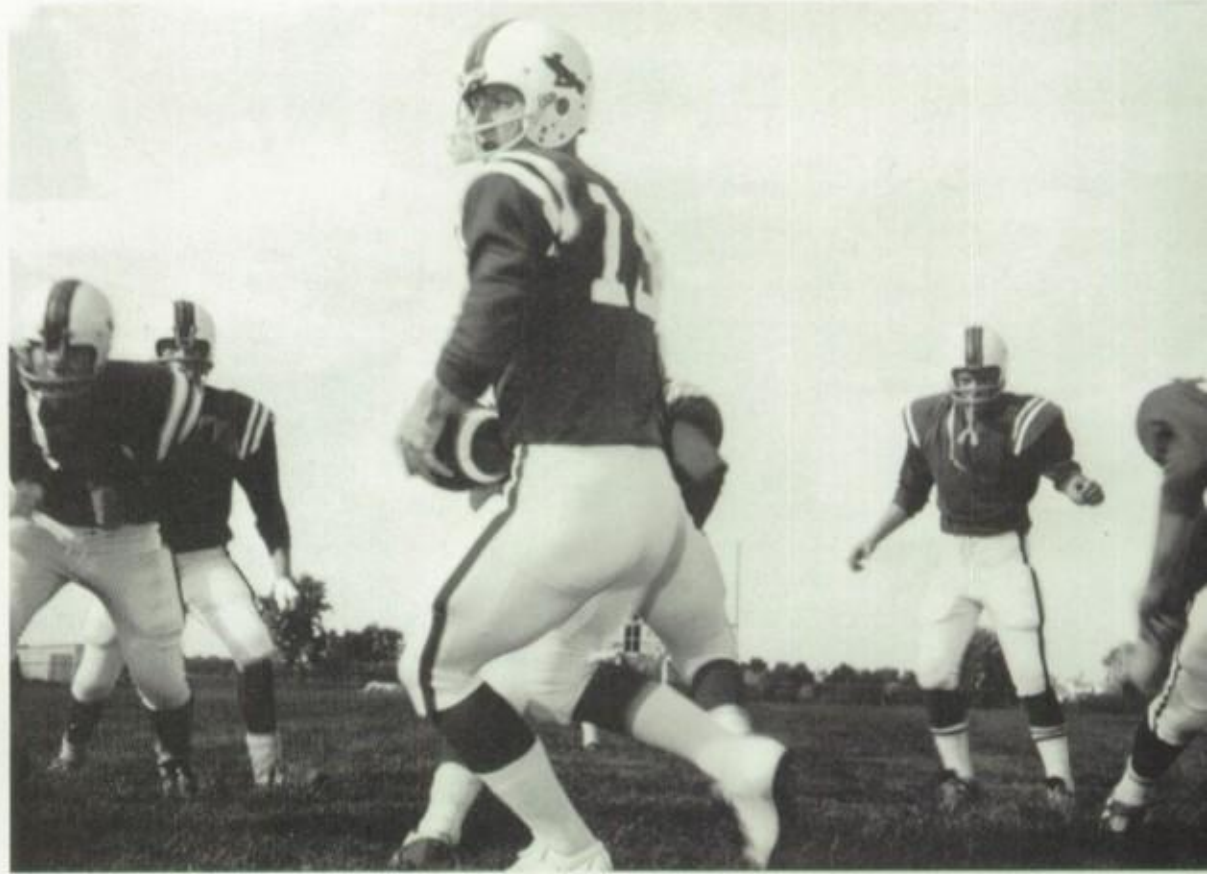

Fighting Rocket's Future Bright

Limestone's first win of the season came when the Rockets defeated the Manual Rams 9—6. Good rushing and passing were the main factors in this game. A pass was completed from the Rocket's 37 yard line for a gain of 24 yards.

For the second win of the season, the Woodruff Warriors were felled by a score of 26—24 at the Peoria Stadium. Neither team had a complete advantage over the other, and each team took turns handling the ball. The football changed hands three times during the first quarter with Woodruff scoring the first six points. Limestone recovered and came back to win the game.

Canton was the third win of the '67 season. The Rockets literally ran over the Canton team. The Little Giants managed to score two touchdowns, but Limestone took the ball and refused to let go of it. Limestone scored seven touchdowns winning by a score of 47—13.

Receiving the hike, Bill Gibson stands ready to hand off the football.

Indispensable to the team are the managers Larry Schultz and Chuck Hartseil.

Cross Country Has 500 Season

The cross country boys often relax and ready themselves behind the bleachers.

The 1967-68 cross country team consisted of 25 members—five of whom were seniors. The varsity squad compiled a 500 season with five wins and five losses in dual meet competition. In conference standings the Rockets finished sixth in the Mid-State 9 and in the Illini Conference. Major meets attended were the Central Invitational and the Mattoon Invitational where the squad finished 25th of 38 and 27th of 36 teams respectively. The only other major meet was the district at Bloomington in which Limestone finished 10th of 22 schools. Larry Closen finished eighth from a field of 115 runners.

The JV's had a less impressive two win—four loss record in dual meet competition. In the Mid-State 9 Frosh-Soph meet the Rockets finished fourth with a final of third place in the Illini Conference. The cross country team was captained by Larry VonBehren. Larry Closen was voted most valuable runner by his teammates. Both were top scorers.

Limestone's wrestling team finished a moderately successful season this year with a fine series of tournament performances. The Rockets with a nucleus of five seniors finished in the upper division of both conferences, and second in district competition. Six boys qualified for sectional competition. Joe Zarembo missed gaining a state tournament berth with a 8 to 6 loss in the sectional semifinals at 165 lbs.

These tournaments were a fitting climax to a exciting dual meet season, in which the team scored seven wins against seven losses. The avid fans who followed Limestone throughout the season were provided with a great deal of excitement and many satisfying victories.

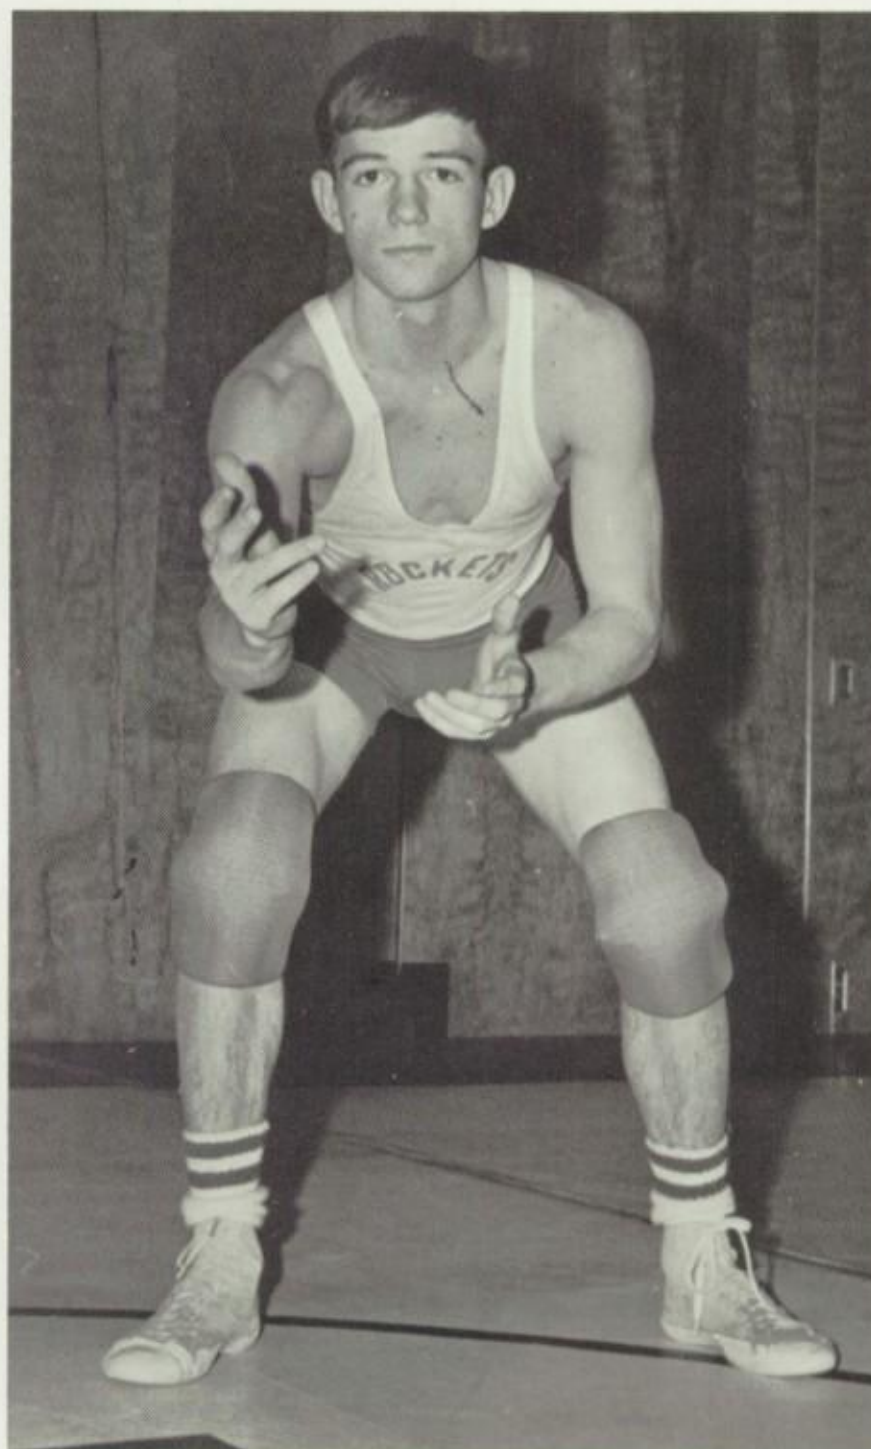

112 lb. Phil Borland won the 1968 MVW award this year. He had a season record of 21—9.

Jim Showalter also had a perfect 4—0 record for the Rockets.

This year's Rockets started their season off with a 6 to 2 victory over Canton. The Rockets were led by Bob Koeppel .378, Dennis Williams .342, and Bill Gibson batting .329. Limestones great pitching staff enabled us to move into district play with a record of 20 wins and 2 losses.

In the first district game Limestone defeated Spalding by a score of 11 to 1. The championship district game gave Limestone their third loss. The Rockets had one remaining game with Canton but as an effect of rain it was cancelled. The Rockets ended their season with a record of 21 wins and 3 losses, first in Mid-State 9 and Illini conferences.

Sophomores Take 2nd in Mid-State 9

This year the sophomores placed 2nd in the Mid-State 9 and Illini conferences. This outstanding record is attributable to the .343 team batting average. Bill Davis led the season with a .473. Ron Quinn also helped to boost the sophomores in their 14 wins. These Rockets proved that teamwork is essential throughout the games. Coach Churchill can be proud of this fine season record.

Language Arts Boast New Facility

New and better facilities and reading materials have been provided through the renovation and addition to the new library. Students can now relax in the lounge area and read current magazines during their study hall period.

The foreign language classes this year are using the new electronic recorders to teach each student the correct pronunciation of the language they are learning to speak.

Speaking is essential in everyday life. Limestone's speech courses are directing their efforts to improve the students ability to communicate. Students taking the speech courses will learn to speak better and relate their thoughts and opinions to others.

This year the National Shakespearean Company presented **Romeo and Juliet**. Because of their outstanding performance, the English department hopes to schedule a return engagement of this articulate troupe. This truly highlighted the academic year.

Home economics develops girls' creative ability in cooking.

Blending and following directions are the keys to a successful cook.

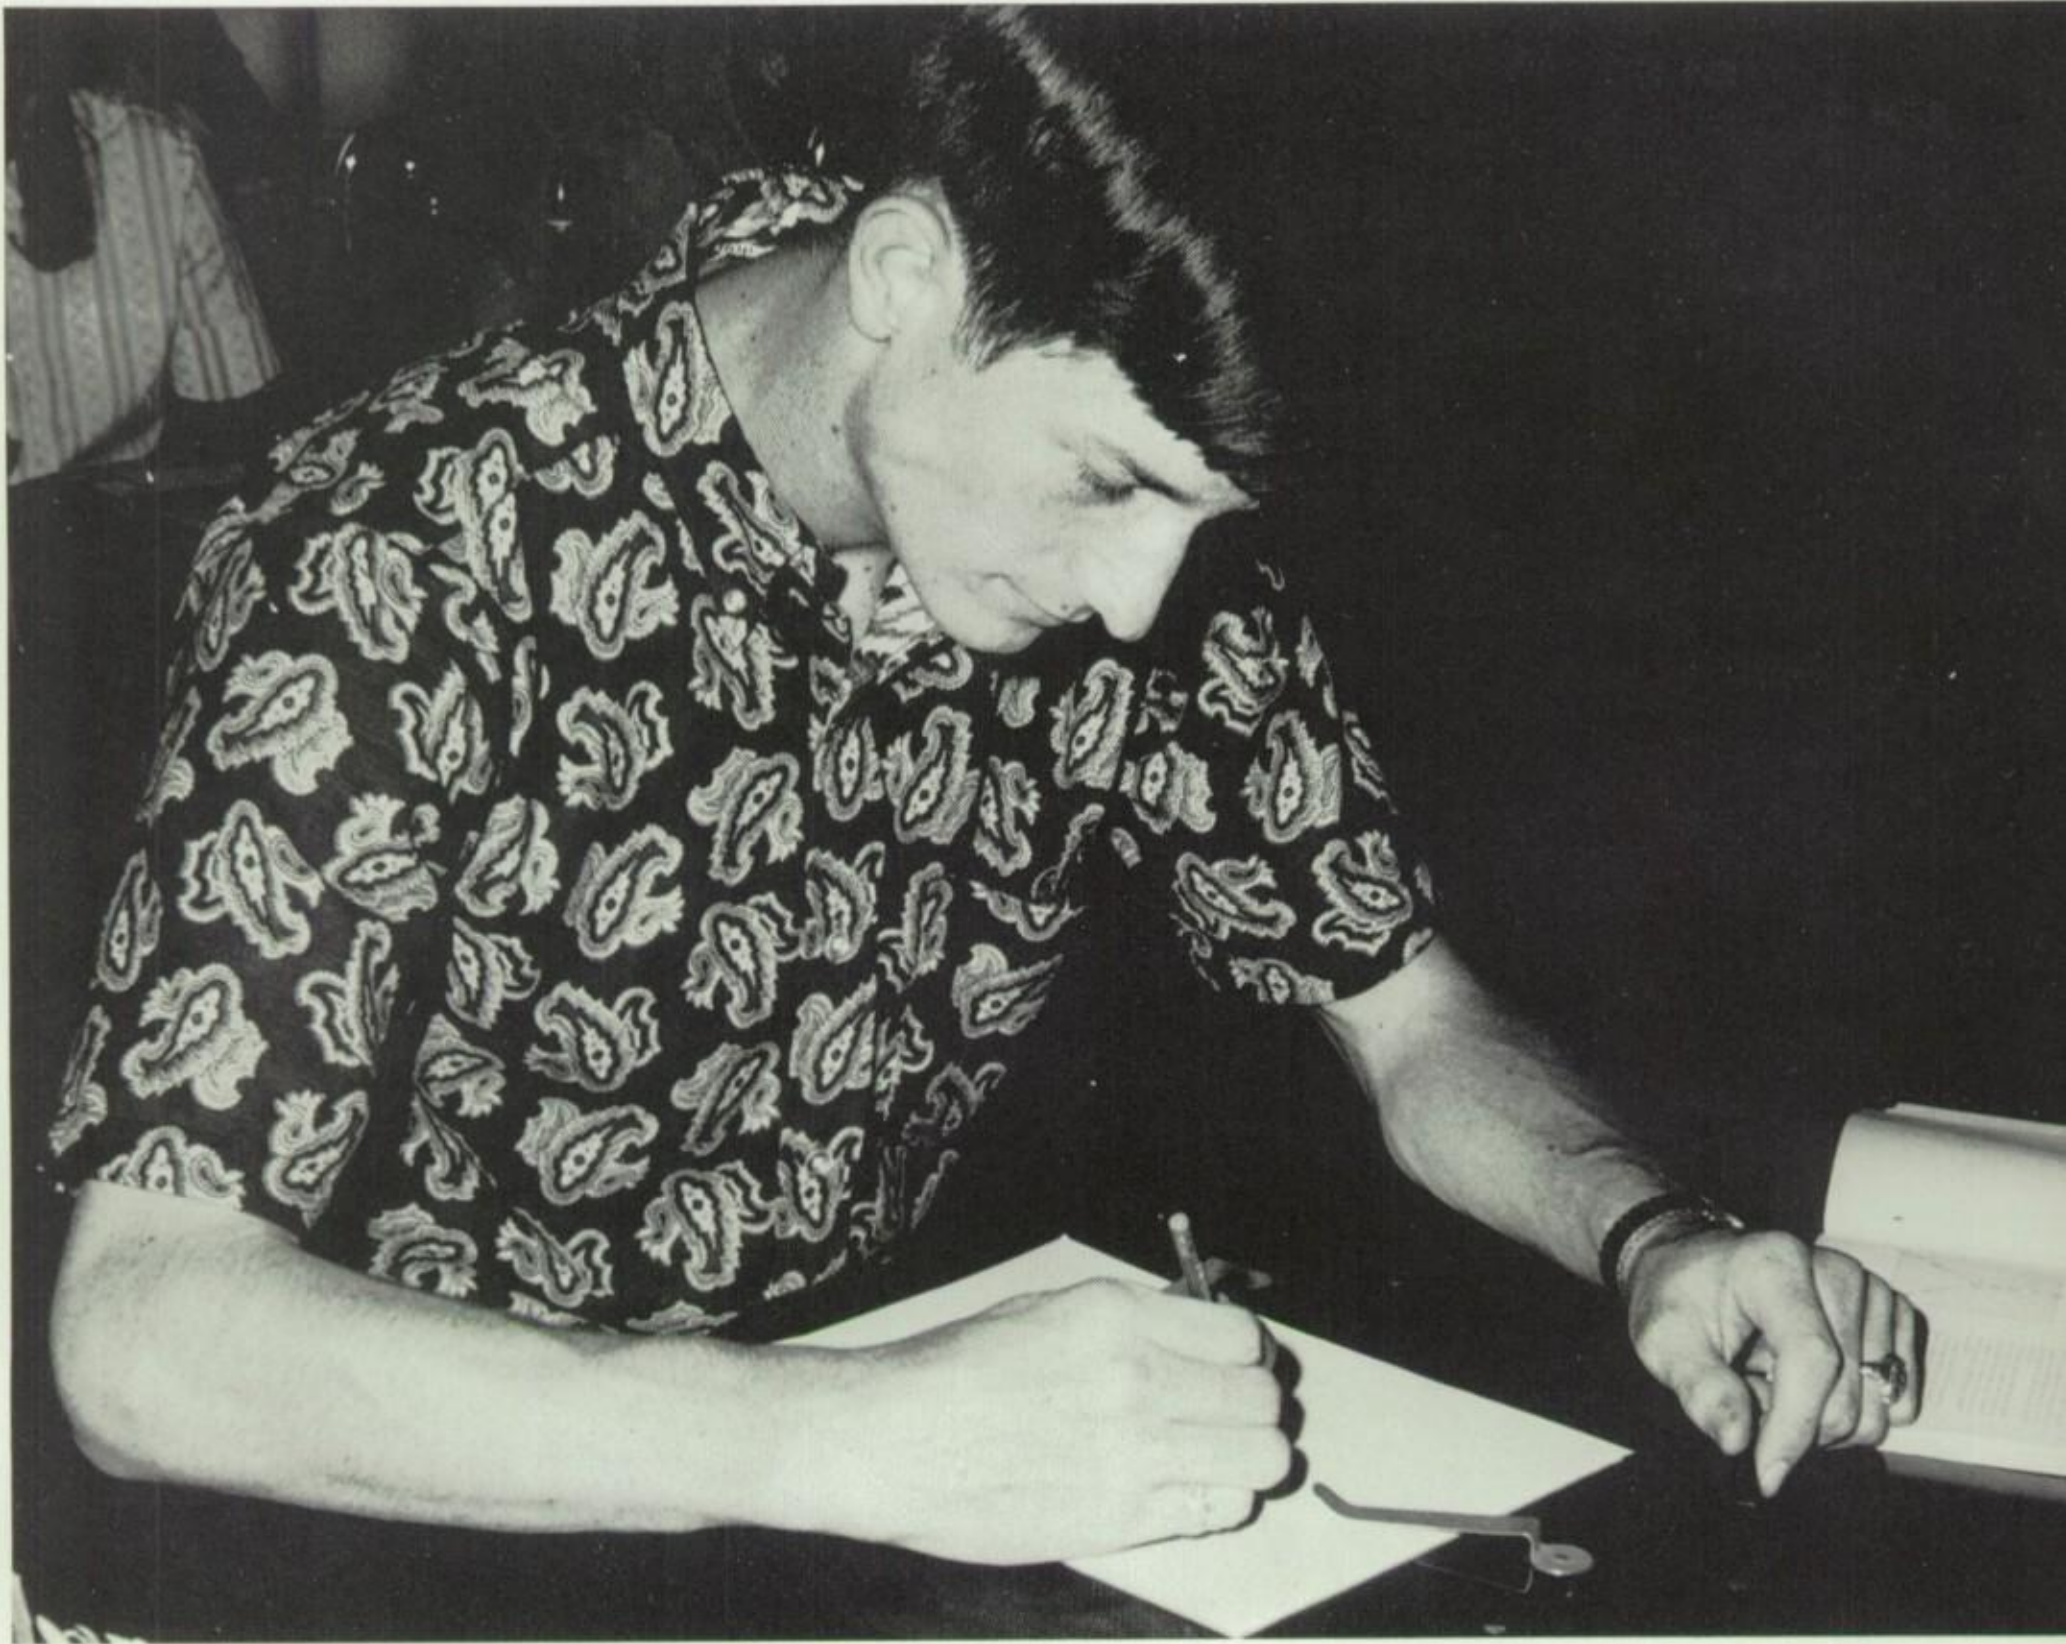

Sewing, cooking, child care, family relationships, and home management were some of the many interesting topics discussed in the Home Economics Department. Home economics has been organized to prepare the girls to carry on the skills of housekeeping and the art of homemaking into their future.

To improve the physical fitness of his students in the objective of every member of the Limestone physical department. At the beginning and end of each year student skills are measured in such things as push-ups, 50-yard dash, and length in the long jump. These results enable the teacher, student and his parents to see the progress which has been made.

Science; Mathematics

Microscopes aid students in exploring the vast field of science.

The math department provides a useful background for such occupations as surveying—through the use of the transit—construction, business, and everyday uses. The math courses offered at Limestone include general math, senior math, Algebra I and II, geometry, advanced geometry, analytic geometry, trigonometry, and calculus.

Two years of science are required of each student who graduates from Limestone. the Science courses offered are general science, biology, physical science, chemistry, physics, and advanced biology. These courses have been improved through the addition of a new laboratory, lecture room, and better facilities for projects and experimentation. A new science supply room also serves as an all-purpose research lab.

By surveying the football field, senior math classes learn the techniques needed in using the transit.

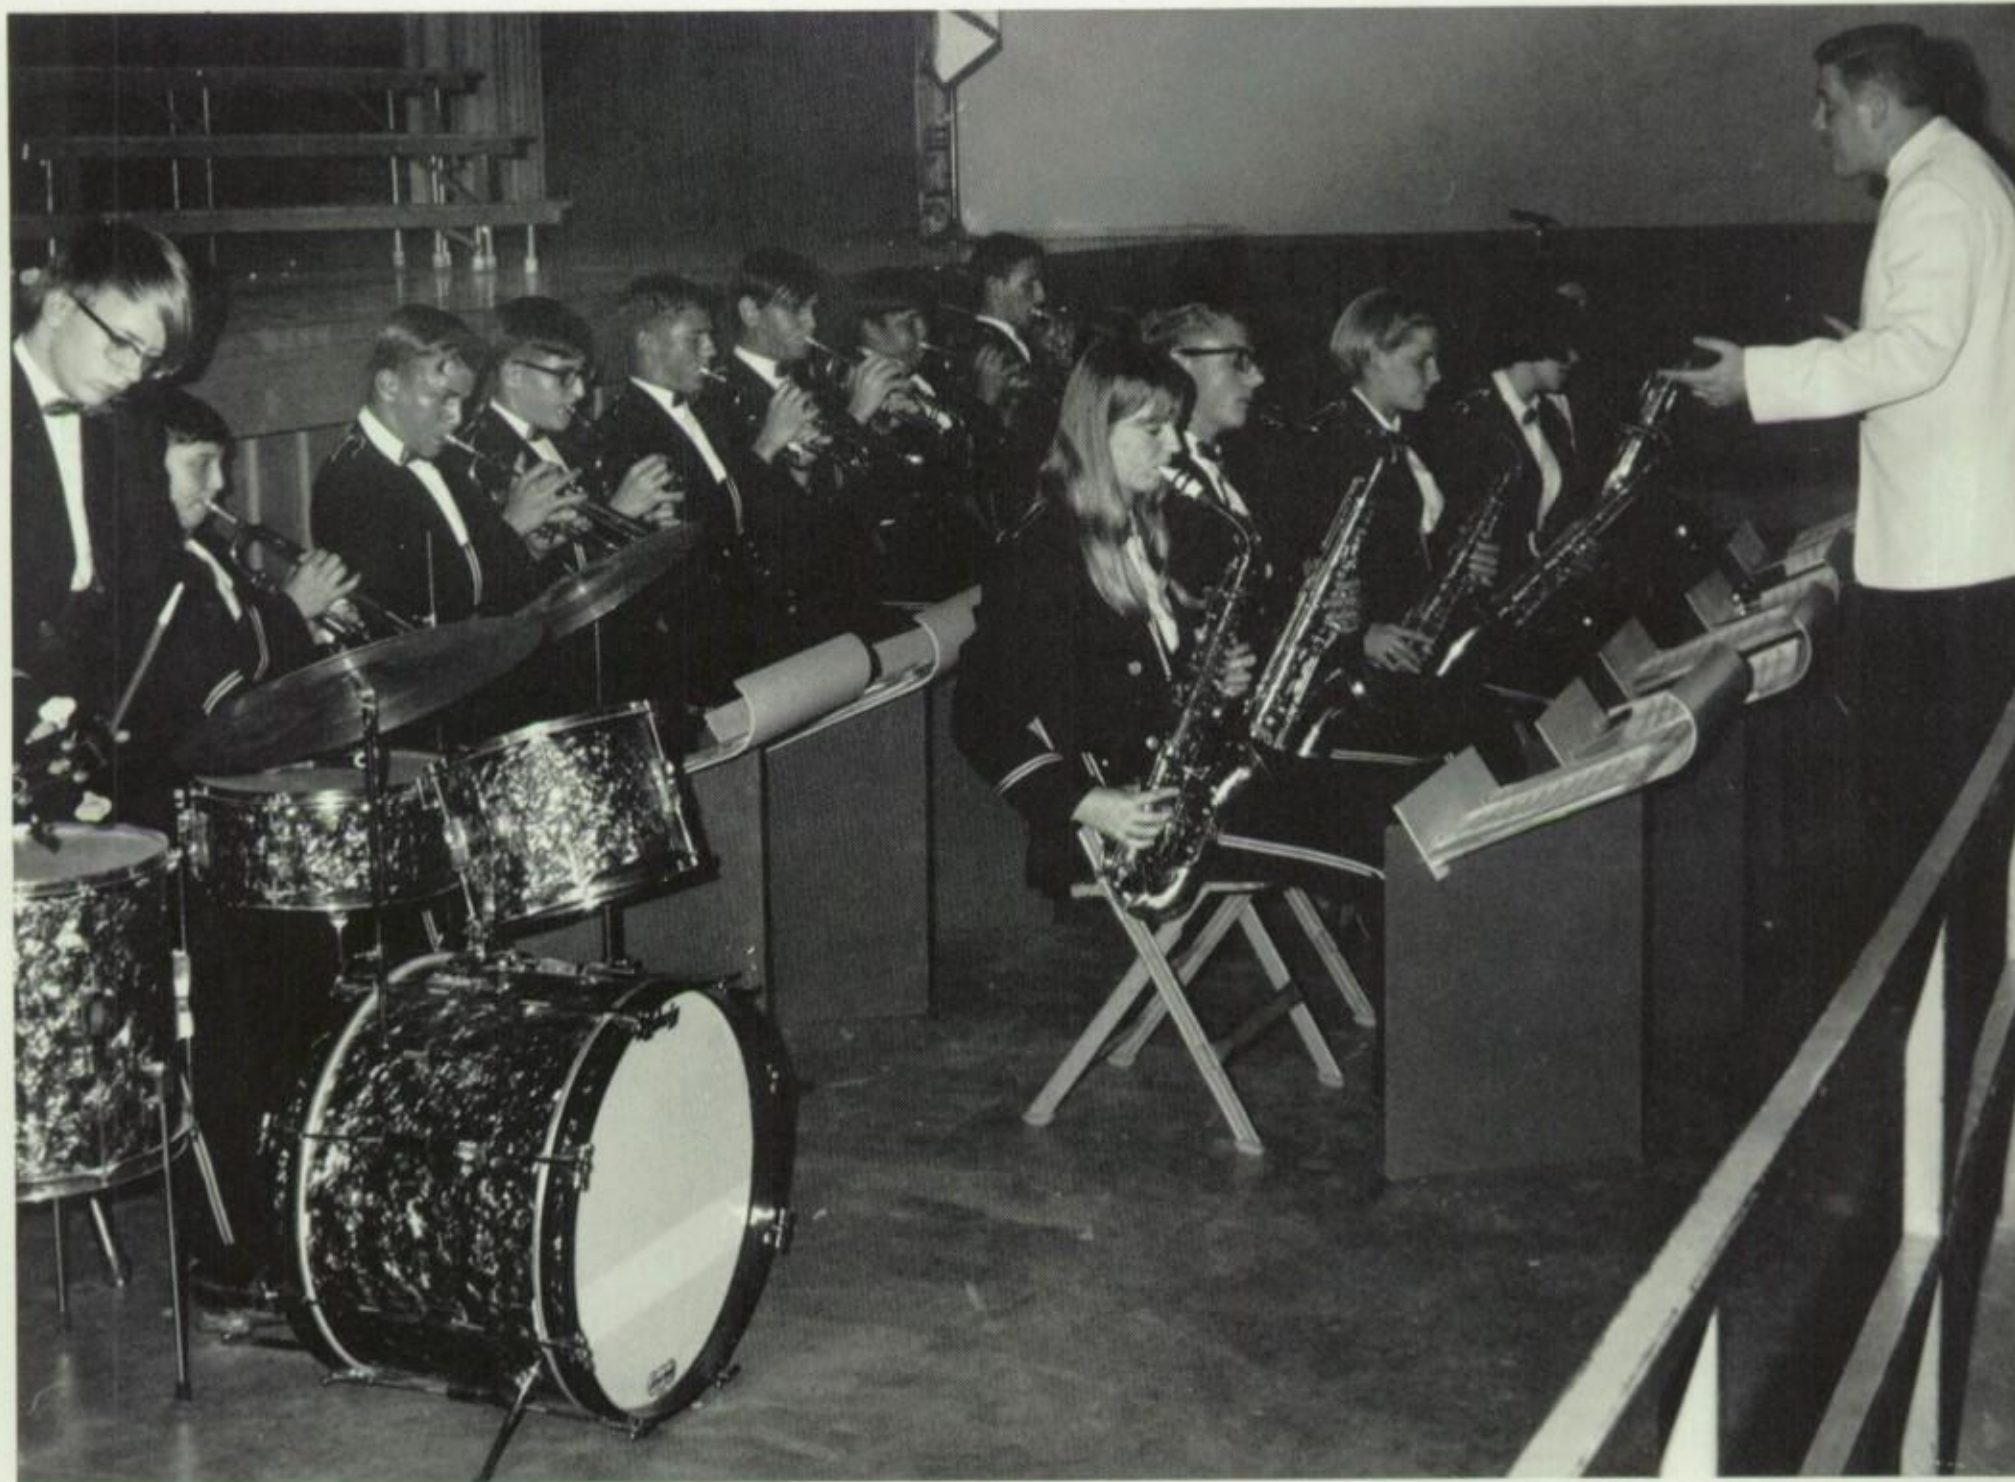

Talents in Music, Art, and Manual

Those students interested in continuing their business education have found the facilities at Limestone of great value. The Business Department emphasizes programs at all levels, such as basic business, bookkeeping I and II, typing I and II, business law, clerical practice, shorthand I and II, and office machines.

The Limestone band is described as enthusiastic. It arouses school spirit at assemblies, football games, and basketball games. A good band is loyal to the team on field and court.

Bonnie Riekema works diligently in office machines class.

The Social Studies Department acquaints the Limestone students with their local, state, national and international responsibilities, privileges, and obligations. Throughout the curriculum courses are designed and grouped to provide for the needs of both terminal and college-preparatory students.

An additional course offered this year is art. This course enables the student to recognize form and good design. The art program includes work in such media as brush, pencil, charcoal, pastel, palette knife, and pen and ink.

The varsity choir this year was directed by Miss Irma Houleb. The choir provided enjoyable entertainment to many audiences.

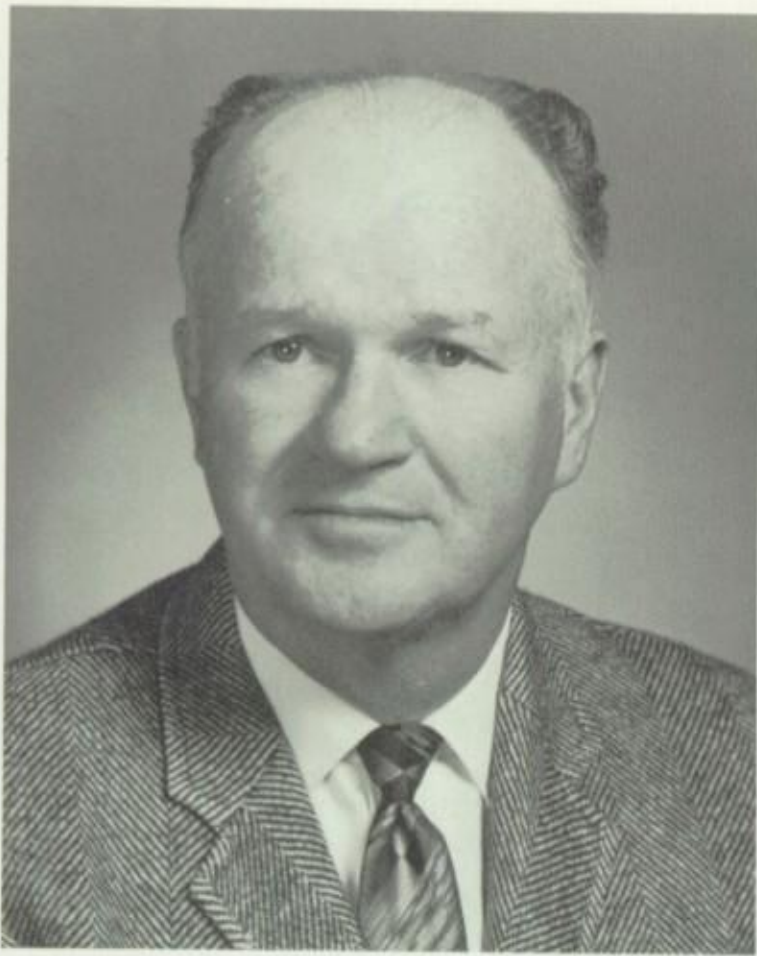

Abilities are developed through paintings in art class.

Counselors and Deans Work with

Working with teachers, parents and community agencies, the Guidance Department has been able to assist each student in using his capabilities to help solve problems and to meet future needs. Individual inventories including a cumulative record, test summaries, background information, and a record of extra-curricular activities have been maintained for each student. The Guidance Department has assisted students in finding permanent employment or in arranging for further training. Complete occupational files, trade and vocational school directories and college catalogues have been made available to the students. Numerous visits from college, trade, and vocational school representatives have also been arranged. One of the most important services of the Guidance Department is the personal relationship between the counselor and student.

Operational and Services Personnel

Invaluable to Students

Aiding students and school personnel in need of Medical care is our school nurse, Mrs. Barkley. Not only does she give medical assistance but she also gives educational instruction to classes pertaining to first-aid, child and baby care and personal hygiene. Mrs. Barkley is also in charge of the Future Nurses of America Club which encourages interested students to enter the field of nursing.

Mrs. Katherine Barkley, R.N.

Set Pace for First Year at L.C.H.S.

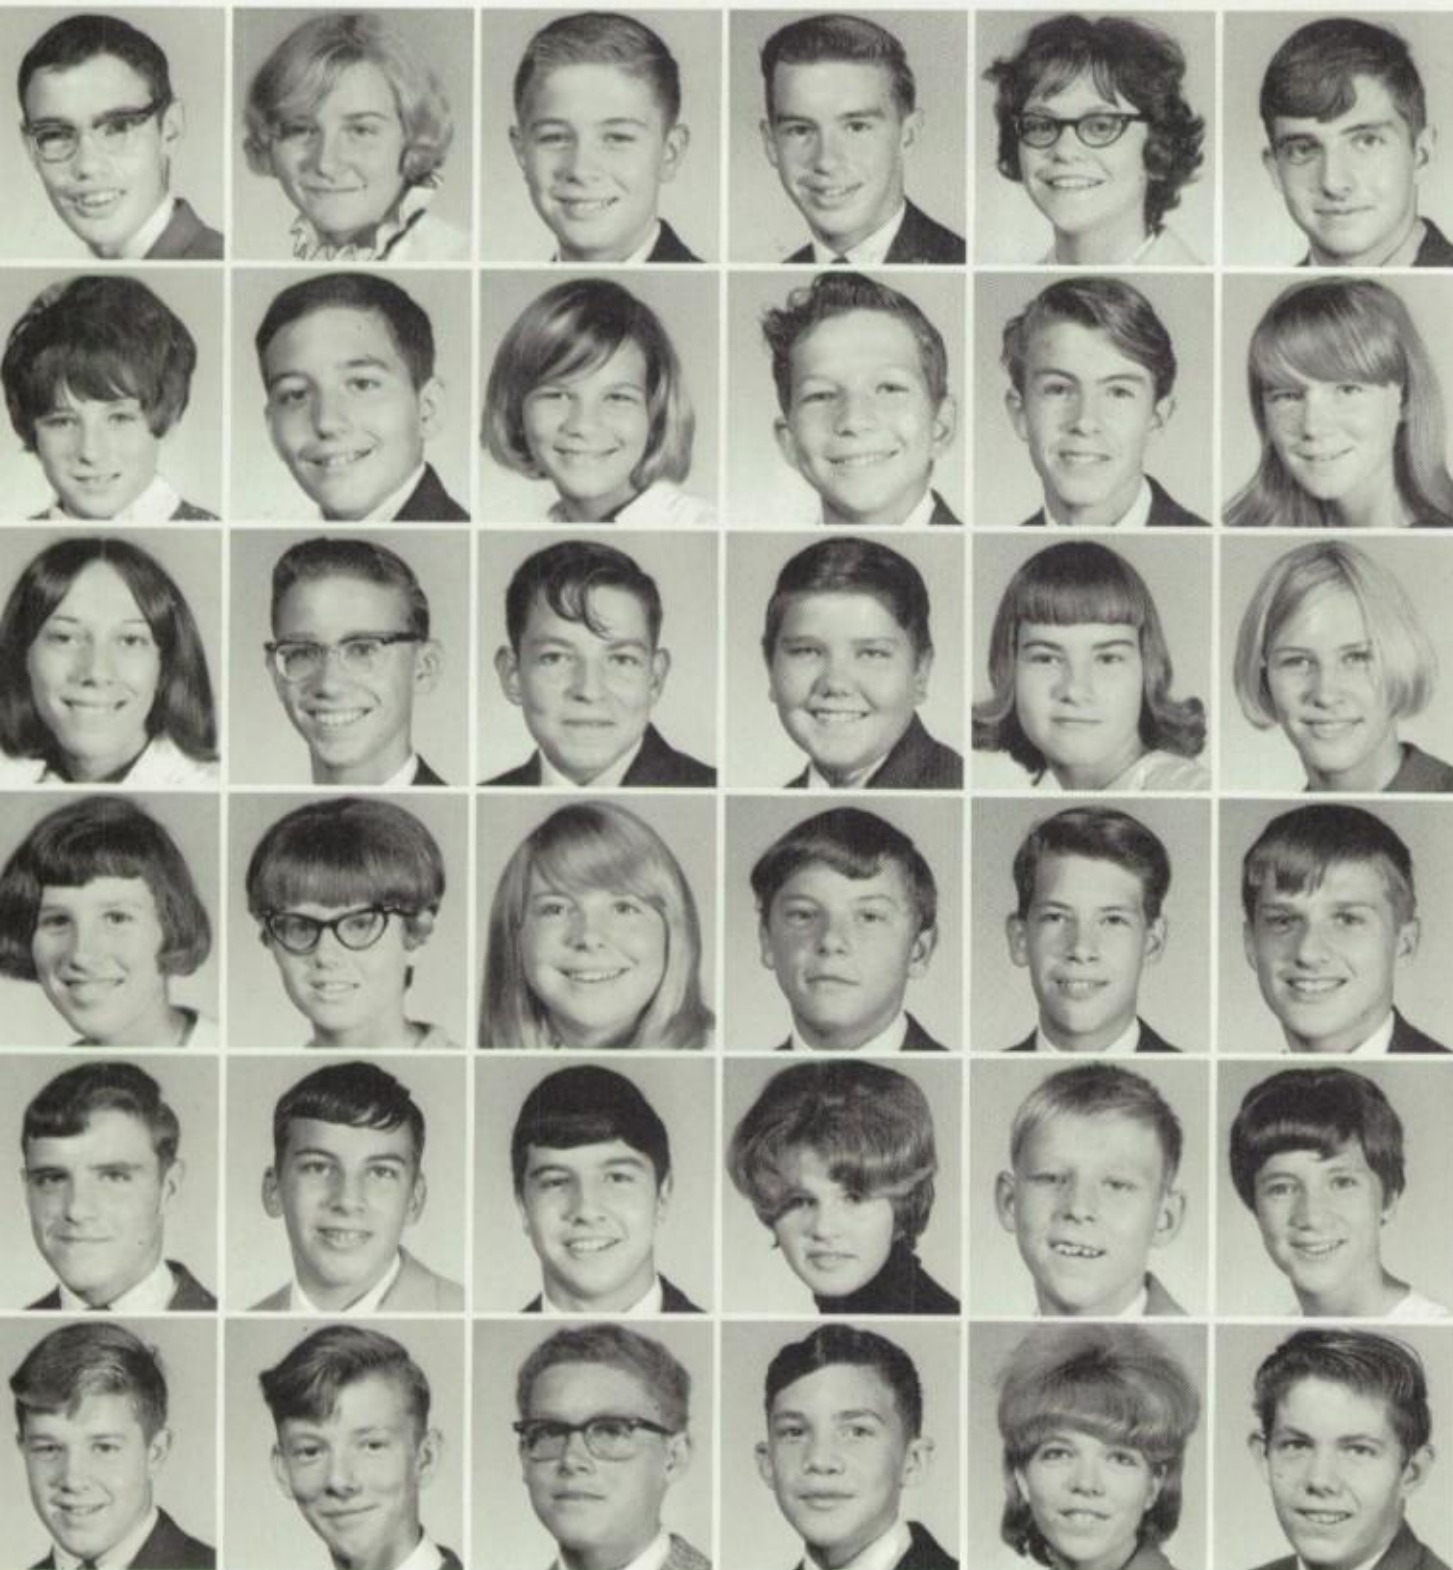

The freshman class of '71, showing true youthful determination, fought their way into the everyday routine of Limestone High School. Their first days of high school were both exciting and filled with small incidents. Often these pupils dashed into the wrong classrooms or were lost in the hum-drum of crowded halls—still they fought to fit in.

In need of suitable leadership the freshman class elected, Alan Linsberg, President; Lynn Graham, Vice President; Debbie Kirkham, Secretary; and Steve Holm, Treasurer. These Officers, with the help of ad-

visors Mr. Oberle, Mrs. Gronewold, Mr. Nordvall, and Miss Riggins, led the frosh class into their first Homecoming here at Limestone. Their float, "Shave 'em Down To Size" and their skit, "The Case Of The Missing False Teeth" were very well done.

Tonia Monroe was the lovely freshman attendant for our Homecoming Queen's Court.

The main money making projects of this eager freshman class were the coat check at our numerous school events and the selling of candy.

Anticipate Arrival of Another Year

Limestone High School's sophomore class continue down the long road toward their senior year.

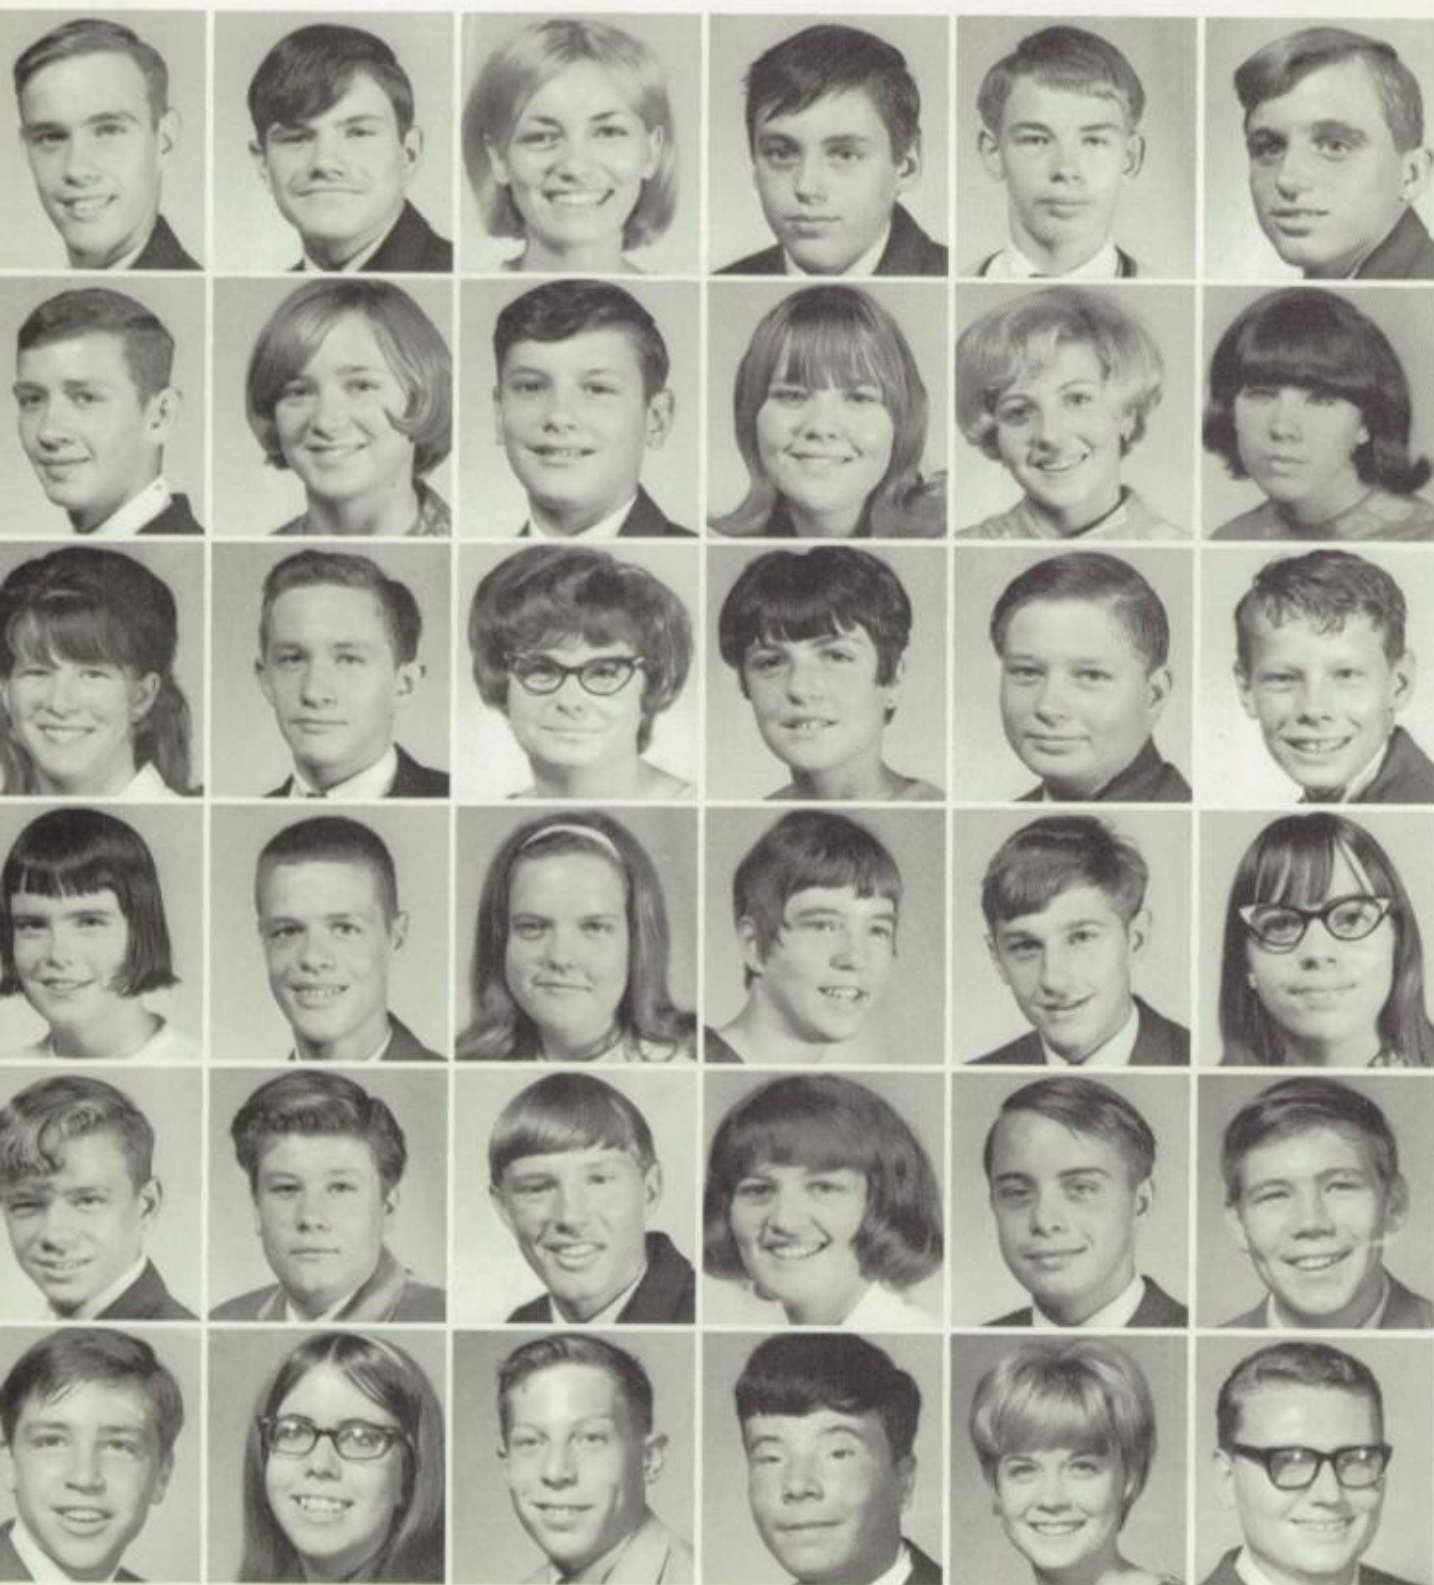

Guided by advisors, Mr. Campbell, Mrs. Heien, Mr. K. Johnson, and Mr. Thierer, the sophomores charged into the events of their second Homecoming. Their float, "Grind 'em Up" and their skit, "Circus" were the entertaining results of their hard work.

Kathy Short, the sophomore attendant, was a lovely addition to our Homecoming Queen's Court.

Once again in need of leadership the sophomore class

elected Randy Light, President; Gary Burk, vice president; Chris Jakoby, secretary; and Bill Showalter, treasurer. With the help of these officers the sophomore class faced the many events of their second year of high school.

The greatest challenge that these eager sophomores had to face was their driver's education course. Excited and a little scared the sophomores studied the rules of the road for safe driving.

Plan Ahead with Vigor and Vitality

The Far East was as near as the Ramada Inn when the Class of '69 hosted the Junior-Senior Prom on May 4. "Whisper of the Orient" was evidenced in paper dragons, Japanese pagodas, and colorful lanterns which decorated the El Cid room.

Prom favors were Japanese fans for the girls and chopsticks for their dinner-jacketed dates. The dinner menu of Occidental fare included a Fortune cookie to maintain the theme of the evening.

Imagination and leadership in organizing the prom and the other activities of the year were provided by

class officers: Dean Albritton, president; Patti Chandler, vice-president; Debbie Dixon, secretary; and Wayne Page, treasurer.

The class tied for first place in the Homecoming float parade and won the Spirit Stick competition during football season.

Mr. John Myers and Mrs. Joyce Graves have served as faculty advisers to the class since its freshman year. Mr. Ed Monroe and Mrs. Sue Kokos have also assisted this year.

Miss Barbara Inman

Again this year, as in years past, it is the pleasure of the AMULET staff to present the Miss Photogenic Contest. The contest to select the most photogenic entrant is based strictly on the appearance of the portrait submitted and does not consider personality or popularity. Only senior girls are eligible.

Presently attending Bradley University, our contest judge for the 1968 AMULET was none other than well known WIRL disc jockey, Mr. Larry Kenney.

Mr. Kenney, who was graduated from Pekin Community High School, has been with radio station WIRL for six years and can be heard daily from 11 a.m. to 3 p.m. on "The Weird World of Larry Kenney." Mr. Kenney began his radio career at Pekin High where radio broadcasting is a popular student activity.

Mr. Larry Kenney

Look UP!

There are many rewarding careers available to high school and college graduates at Keystone, a leading manufacturer of wire and wire products. Challenging opportunities await young men and women who want to get ahead. Business Administration . . . Liberal Arts . . . Research . . . or skills in maintenance, production, or data processing, for example, can be developed.

If you believe you are prepared to contribute to a dynamic growth industry like STEEL, we'd be happy to discuss your ambitions with you!

CEZANNE

As I emerge from the warmth
and security of protective guidance,
the lessons I have learned throughout the
yesterdays have prepared me to be one of the builders of tomorrow.
Yet no matter what I accomplish in a lifetime,
it can only be a beginning of that which is to follow.
May my achievements be such that they spark the desire for continuation in the yet unborn.

Let us continue . . .

Your diploma is a ticket to the adult world . . . but good only for entrance. The best seats in the house are reserved for those who pay the full price: continued education and continued self-improvement.

And you *can* continue your education. At a university . . . at a community college . . . in an apprenticeship program of local industry.

By furthering your education you'll be better prepared to earn a place up front in the future of this ever-more-complicated, ever-more-demanding world.

An Equal Opportunity Employer

BRADLEY UNIVERSITY

At Bradley University, the student is the most important product.

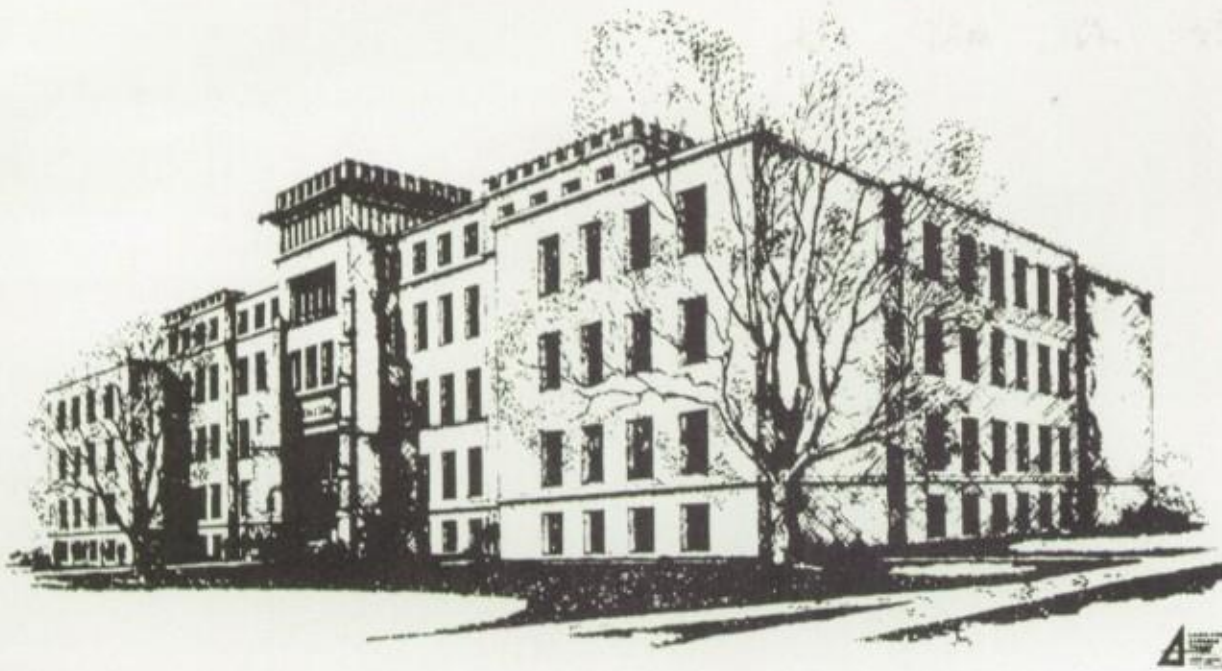

In order to maintain the ideal curricular and extra-curricular facilities at Bradley, the full-time day enrollment is limited to 5,000 students. The present student body includes students from 45 states and 23 foreign countries. A large number of Peoria area students are also enrolled at Bradley each semester.

Extra-curricular activities are highly valued and carefully planned at the University to provide the student with a complete education that includes ample social contacts. Fifteen national fraternities and seven sororities combine with more

than 75 other undergraduate organizations to offer each student a variety of potential interests.

To further the goal of the broadest and most complete education possible, a strong Air Force unit and a well-known lecture series are promoted by the University for the benefit of every member of the Bradley family.

Because of the large and varied curriculum which includes some 75 academic programs, a student may choose a concentrated area of study or one that provides a broad general education. The faculty-student ratio remains at 1:15, affording each student an opportunity to obtain the important counsel so necessary for success in today's business and professional worlds.

A Salute to Senior Songsters

Miss Irma Holub, director

Again this year, as in years past, the choral department would like to thank and congratulate the senior members of the varsity choir for their contribution to the music department.

Under the direction of Miss Irma Holub, the choir was heard in concert as well as in a combined effort with the varsity band.

The memories of enjoyment in song are memories to be cherished for years to come.
